Marcin Suski

Ftontend Web Developer

✉ suski.marcin@gmail.com   📞 +48 502 204 651   🏠 marcinsuski.pl   ⦿ github.com/marcinsuski

Not a typical junior frontend developer - after years in high level management I can say I am a **problem solver** and **achiever**. For the last 2 years I have had a lot of experience as a bridge between developers and clients and I understood I want to be a developer myself. I value **organization, structure** and good **team relations.**

Projects

https://marcinsuski.pl _____ [HTML, Scss, JavaScript]

https://ms-crypto-coin-tracker.netlify.app _____ [React, MUII, Chart.JS API]

https://ms-dalle.netlify.app _____ [MongoDB, Express, React, Node.js, API]

https://ms-mywallet.netlify.app/ --------------------------- [React, MUI, Chart.JS]
